LGBTIQ Case Vignette

In the two and a half years I've been with VincentCare, firstly as a client for treatment services, and a CVP participant for two years, I have witnessed the organisation make massive gains by raising awareness, supporting and celebrating its LGBTIQ+ clients, staff and volunteers. As a gay man in my 50s, I know how discrimination and homophobia causes stigma and trauma. So what a joy to be part of an organisation that provides genuine and unconditional support to the LGBTIQ+ community. Being part of the VincentCare team at the Victorian Pride March in 2021, walking alongside staff, clients and volunteers was a very powerful experience and display of support. VincentCare has been outstanding.
